The Stewardship Network

Spring Challenge 2026
April 8th - June 30th

This is how we **do more together**:

1. Work or volunteer for nature
2. Report it through our website
3. Earn a chance at weekly prizes
4. Watch your efforts inspire others

Plant Removal | New Planting | Trash Removal | Ecosystem Monitoring | Prescribed Burning | Education/Advocacy | Other

TSN Spring Challenge unites organizations and individuals that care for land and water to raise awareness of our collective impact. From planting to pulling, clean-ups to education, if your efforts support a healthier ecosystem where you live, please join us!
